

Tue 9/8/2009

Hi Gary:

I think your letter was fabulous and I am in support of your position. I will be sending the website out to all floathome owners for which I have email addresses. One thing that you may want to consider is the swimmers. As you know, I enjoy swimming across the bay from Scenic Bay Marina - D Dock to your marina, specifically Pat P's floathome where she graciously allows me to use her ladder to climb out and take a short rest before swimming back. Last year was the first time my daughter, Alexis Berube - 8 yrs. old, swam the bay with me. We always have a paddle boat along side of us when we swim, for safety purposes. We would like to keep this tradition going as I have a little granddaughter that will be ready to swim with us in a few years. If the No Wake Zone is rescinded, it will not be safe for swimming as well as the other activities you mentioned in your letter.

As an officer of the Floating Homes Association, please let us know if you would like the Association to submit a letter in support of your position and the position of the community. Many of the floathome owners are not in favor of this proposal of rescinding the No Wake Zone.

Regards,

Jamie Berube
