Hello Mr. Tondee

I have a sailboat at Bayview.

I just moved it there from CDA Lake. The reason I moved it was it became impossible to sail on CDA with all the big power boats and lawless jet ski traffic.

YOU WERE ELECTED BY THE PEOPLE TO SAFEGUARD THEIR WELL BEING. PLEASE LIVE UP TO THAT. Bayview has had a no wake zone for years; it works great, keeps the noise down and reduces erosion of lake banks. Why make it an unsafe zone. **SERVE THOSE WHO HAVE ELECTED YOU.**

My wife and I are presently in the PHILIPPINES doing voluntary mission work, and looking forward to the quiet of Bayview for the summer; please don't take that away from us.

Use common sense for once.
