Dear Commissioners:

I am writing regarding the idea of removing the "No Wake" zone in Scenic Bay.

As a boater that maintains a boat in a year round slip and spends most weekends in the Bayview area, I can say this idea will ruin Bayview,
PERIOD!

I believe this will increase dangerous traffic and harm our ability to safely and peacefully participate in activities in and around the area. Currently, I am constantly waving boaters to slow down who ignore the No Wake area.

Please, for my safety, pleasure and ability to enjoy this wonderful area do NOT allow this public safety measure to be removed!

Regards,

John O'Sickey
