Please keep the no wake zone as it is in Scenic Bay. My boat is moored at Scenic Bay Marina almost as far in as possible and it only takes me 10-15 minutes to putt out in my big sailboat. The no wake zone protects many things. It protects the docks, the moored boats, the boats under power (whether by motor, wind or paddle), the calm and the peace . Anyone that has boated on our North Idaho Lakes (as I have for over 50 years) knows that if someone is allowed to go fast, they do, whether it's wise or irresponsible. The no wake zone as it exists saves our paradise and it will save our lives.
